--	---------------------

PROJECTS

Currently, I am actively working on the development and design of a responsive personal portfolio website. This initiative aims to effectively showcase my skills, projects, and experience in web development. The website will serve as a central hub for potential employers and clients to explore my background and capabilities in the field.

EXTRA-CURRICULAR ACTIVITIES

- Actively participated in BIF Club in Technical Domain and Volunteered as a Co-ordinator for various events.
- Participated in Offline Hackathons.
